I was a heartbeat on the danger side
Just had to see what it all was like
Put your nose in that

And oh, yeah
Although you try to sidestep
Merchants of soul don't let

I was a heartbeat on the danger side
Just had to see what it all was like
Put your nose in that

Oh, yeah
Although you try to sidestep
Merchants of soul don't let

Hey, what you doing on the danger side?
Yes, you're looking for us, we know that's right
That way you move it's all an act

So get in
We know you wanna give in
And of course we'll fix you up exact, we'll mail you back

Mixed up and lonely on the danger side
Ralph Reed was driving, said he wants to go all night
I made him wait, took my time to decide
[Incomprehensible]

To get wise
The fiends are fiendin' outside
Merchants of soul, so unkind

Oh yeah
Merchants of soul, they don't mind
They'll take your soul, I need mine, I need mine, I need
mine

Need mine
Need mine
Need mine
