My first time volume three  
They never would know what it did to me  
My first time volume three  
Well I woke up in a sheet  
And all I heard  
Was you ain't givin' up  
But I never gave up

And if sound is sacred  
Let me hear you tell me what  
And let me get me  
My first time volume three  
Ooo oh yeah

I pulled though after all  
Every lifted from the lord  
And it better be  
I let it go what I knew  
Well it cut into my heart  
And they tore it to my mind  
Oo now tore it to my mind  
I gotta believe

If sound is sacred  
Come ride it and reap my mind  
Aww and I'll make it inside  
My first time volume three  
They never would know what it did to me  
My first time volume three  
Well I woke up in a sheet  
And all I heard  
Was you ain't givin up  
Oh but you never gave up

And if sound is sacred  
Let me hear you tell me what  
Aww make it inside  
Do you feel that?  
And I'm changing inside  
Can you see that?  
Oh I was hating inside  
And you know that

Breaking inside  
Can you feel that (x4)
