I wanted to be your friend  
I wanted to get to know you  
I wanted to be your friend  
I wanted to get to know you

I wanted, I wanted  
Wanted to be your friend  
I wanted, I wanted  
Wanted to be your friend  
No kidding

I wanted to hang out some  
I thought when you danced, it looked all right  
I thought that you talked pretty cool  
But don't get me wrong, I wasn't uptight

Intentions, they fly out  
The window, when you left  
The window stayed open  
And light before I said  
No kidding

Although it was nothing heavy  
These things that I could have showed you  
Like how I wanted to be your friend  
I wanted to get to know you

I wanted, I wanted  
Wanted to be your friend  
I wanted, I wanted  
Wanted to be your friend  
No kidding

Kidding, wanted, wanted  
Wanted to, wanted to, wanted to  
Wanted to, wanted to, wanted
