Verse 1

Outside your window
Gazing hard on this crazy night
Your head your pillow
Wide awake you're mine

Verse 2

I'm a bit neurotic
You're a bit of a hypocrite
You laugh, I cry
Girl together we fit

Chorus:

Baby, I dig you
I dig you up
Baby, I dig you
I dig you up

Verse 3

I'm a bit eclectic
You're a bit of a porno star
This touch electric
Girl together we are

Chorus:

Baby, I dig you
I dig you up
Baby, I dig you
I dig you up
