Everybodies got issues
Everyones got things they gotta do.
Some people need space
Some feel raced
While I am here waiting...

[Chorus]

To fly!
I gotta fly
Spread my wings
Touch the sky.
When the world is putting presure on ya
You know what ya gotta do
I gotta fly
[End Chorus]

Some people leave
Say they need space
I sitting here in here lea-ea-eaves
Waiting to see where to world takes me
So I-I-I-I'm gonna...

To fly!
I gotta fly
Spread my wings
Touch the sky.
When the world is putting presure on ya
You know what ya gotta do
I gotta fly

We need help
People need help
We need help
People need help...

To fly!
I gotta fly
Spread my wings
Touch the sky.
When the world is putting presure on ya
You know what ya gotta do

I gotta fly

Lalalalala fly
Whoa Whoa fly
Mmmm fly
Lala fly
Whoa fly
Mm fly

To fly!
I gotta fly
Spread my wings
Touch the sky.
When the world is putting pressure on ya
You know what ya gotta do
I gotta fly

Fly!
