I'd give all and all I've  
got  
On my mind is making up brand  
new chords  
Then Fred Hampton comes on  
and  
Takes it all back  
It brings me back to  
Earth  
She'll know my, she'll know my,  
she'll know my  
Everything I knew  
And loved about you  
She'll know my, she'll know my,  
she'll know my  
So I could get through  
I'll put them all away  
Loss leaders yeah  
It's just that  
Sounds that you make  
Go right inside of me  
Makes us seem more  
All I've got  
Can't live but can love  
Takes all that I can

find  
She'll know my, she'll know my,  
she'll know my  
Everything I knew  
And loved about you  
She'll know my, she'll know my,  
she'll know my  
So I could get through  
I'll put them all away  
She'll know my, she'll know my,  
she'll know my  
Tears fell down  
Inside  
Now he tried to change their  
ways  
Till he got the

bulletholes  
Now he lives in outer  
space  
Now he tried to change their  
ways  
Now he lives in outer  
space  
Now he tried to change their  
ways  
She loved spoons.
