(T3)

It's the seven eighty-eight  
DDT a, just like Jake The Snake  
Actually, we don't participate  
But if you do then I'ma see you at your Wake, (players)  
Don't let the drama fluctuate, I don't wanna, I gotta,  
because it's snakes  
Now where would we be at, if we let you do that  
We'd probably, be laying on our backs, (players)  
Talkin this and that you on my, your plan yeah, it was  
wack  
I never would play myself out like that  
But, um, I guess that's where you at, (players)

(Jay Dee)

(then I'ma play a game for ya)  
What I'ma do is like uh  
Cut out ya whole crew, cause ya crew likes to bite us  
Y'all stick to freestyling cause y'all aint no writers  
Trying to be some, (players) and can't play the game  
See ya, sound the same, and ya claim to be something  
you aint  
And won't be without SV (that's right) ya'll need to be  
smacked  
Open hands and beat by these (players)

(Battin)

I could give a fuck about this shit  
You all up in my face over some ho shit  
Just come out  
You wanna be wit my click, you must know, really  
How wild I get, when I walk in the place saying, (players)  
Yes!, Yes!  
There's some people who really wanna see the S  
Personally, I could give a fuck less  
Check ya lady, she's a groupie ho  
Opening her coochie hole, fuck that ho, (players)  
?  
When you front, this is for ?, you(echo)

(Jay Dee)

Yo, Yo, you wanna be some (players)

And can't play this game

Ya, sound the same, and ya claim to be something you  
aint

And won't be without SV ya'll need to be smacked

Open hands and beat by these (players)

(T3)

Talkin this and that you on my, your plan yeah, it was  
wack

I never would play myself out like that

But, um, I guess thats where you at (players)

(Baatin)

For me to hold you up

You think I really give a fuck...you, you, you, you and  
your crew

Y'all just some (players)
