Welllll - Well it's the Big Show  
Yes it's a big bad show tonight.. dawg - (ohhh)  
Yeah it's the Big Show  
Come on - Crank it up and turn on all the lights.. yall -  
(ohhh)  
Well get ready for something  
That you'll never know  
You won't see it comin'  
But I promise you'll know  
The Big Show  
Well it's the Big Show  
Yes it's a big bad show tonight.. dawg - (Ohhh)  
Yeah it's the Big Show  
Come on - Crank it up and turn on all the lights.. yall -  
(Ohhh)  
Well get ready for something  
That you'll never know  
You won't see it comin'  
But I promise you'll know  
Well it's the Big Show
