You can find me center stage, center of attention
Booker T??Â™ s here like Vin Diesel triple x-ing,
On the count of three, I want you all to spit it,
One, two, three Can You Dig It Sucka!
Five time??Â™ s the champ, more the man,
Scuffle with me, not a good plan.
Gotta show the world a better way for the youth,
All eyes on me, Booker T??Â™ s the truth.
Whatever the state, wherever you at,
Booker put it down man, simple as that.
Booker ain??Â™ t hating, ain??Â™ t dissin??Â™ a thing,
No more drama in my life, feel the vibe I bring.
Don??Â™ t be fooled because he bruised,
Booker T the type to come speak at cha school.
Wherever you at, I talk it like I walk it,
I walk it like I live it,
If you know the words, hit it
Can You Dig It Sucka!
Since Harlem Heat, hard to beat,
WCW Champ, plus four repeats,
Wanna get down? You??Â™ re gonna lay down
When you lay down, you??Â™ re gonna stay down
Wanna know ???bout my life, it??Â™ s an open book
Booker made a change, just like Mase
Now Booker get respect when he come in the place
Man this ain??Â™ t about guns and drugs and ill thugs
This is bout makin??Â™ it better for lil??Â™ cuz.
Can You Dig It Sucka, understand the way,
Booker so humble, in this concrete jungle
Right or wrong I rumble, till the wrong tumble,
From giants to midgets, Can you dig it?
Larger than life, but it??Â™ s no movie,
I??Â™ m the true master of the spinaroonie,
Can You Dig It Sucka
