I got long sideburns
And my hair slicked back
I'm gonna do your town in my pink cadillac
I'm just a Honky Tonk Man (he's a Honky Tonk Man)
I'm just a Honky Tonk Man (he's a Honky Tonk Man)
I'm just a Honky Tonk Man
I'm cool, I'm cocky, I'm bad
I pick a mean guitar
I wear blue suede shoes
You're gonna hear me sing the snakeskin blues
I'm just a Honky Tonk Man (he's a Honky Tonk Man)
I'm just a Honky Tonk Man (he's a Honky Tonk Man)
I'm just a Honky Tonk Man
I'm cool, I'm cocky, I'm bad (Gitarrensolo)
Whoa Elvis, let the Honky Tonk Man show you how to
rock n' roll
Elvis Who? He wouldn't get a tune if it had handles on
it.
Lord, have mercy, baby
Let the Honky Tonk Man pick that guitar
It's Honky Tonk Mania runnin' wild (Ende Gitarrensolo)
I got Peggy Sue behind me
The colonel's in the back
I'm gonna do your town in my pink cadillac
I'm just a Honky Tonk Man (he's a Honky Tonk Man)
I'm just a Honky Tonk Man (he's a Honky Tonk Man)
I'm just a Honky Tonk Man
I'm cool, I'm cocky, I'm bad
I'm just a Honky Tonk Man (he's a Honky Tonk Man)
I'm just a Honky Tonk Man (he's a Honky Tonk Man)
I'm just a Honky Tonk Man (he's a Honky Tonk Man)
I'm just a Honky Tonk Man (he's a Honky Tonk Man)
I'm just a Honky Tonk Man
I'm cool, I'm cocky, I'm bad
I'm just a Honky Tonk Man
I'm cool, I'm cocky, I'm b-b-b-b-b-b-b-bad
