Are you ready?
You think you can tell us what to do?
You think you can tell us what to wear?
You think that you're better?
Well you better get ready??
To bow to the masters
Break it down
Degenerate into something fool,
We just got tired of doin' what you told us to do
That's a break boy (yeah)
That's a break little man
Break it down
Degeneration-X
Degeneration
Think you can tell me what to do?
You know who your talkin' to?
Well ya better used to the way the ball bounces
I see what ya got, It measures in ounces
But that's a break boy (yeah)
That's a break little man
Break it down
Degeneration-X
Degeneration
You think you're a big man? (ha-ha-ha-ha-ha)
Treat you like you're a little man
Yo, tell me what it's like to be half a man
It must break your heart to what I am, what?
That's a breaks boy (yeah)
That's a breaks little man
Break it down
Degeneration-X
Degeneration
Think you can tell me what to do?
Know who you're talkin' to?
Rise yourself what made to be
Someone else with like a book on a shelf that,
You can read boy (yeah)
That you can read little man!
