Yeah
Bringing you another disturbing creation
From the mind of one sick animal
Who can't tell the difference
And got stupified
I've been waiting my whole life for just one fuck
And all I needed was just one fuck
How can you say that you don't give a fuck
I find myself stupified coming back again
All I wanted was just one fuck
One tiny little innocent fuck
And when I feel like I'm shit out of luck
I find myself stupified, coming back again
Why, do you like playing around with
My narrow scope of reality
I can feel it all start slipping
I think I'm breaking down
Why do you like playing around with
My narrow scope of reality
I can feel it all start slipping away
See but I don't get it
Don't you think maybe we can put it on credit?
Don't you think it can take control when I don't let it?
I get stupified
It's all the same you say, live with it
But I don't get it
Don't you think maybe we can put on credit?
Don't you think it can take control when I don't let it?
I get stupified
All the people in the left wing fuck
And all the people in the right wing fuck
And all the people in the underground fuck
I find myself stupified, coming back again
All the people in the high rise fuck
And all the people in the projects fuck
And all la hente in the barrio fuck
I find myself stupified, coming back again
Don't deny me
Oh baby now, don't deny me
And darling don't be afraid
Look in my face stare in my soul, I begin to stupify
