If somebody's askin i've gone away
Yeah somebody's packin and gone today
The summer was lovely and I enjoyed my stay
Maybe i'll be back one day
Sorry to hurry but i'll miss my plane
Don't worry about me i'll be okay
See ya the next time, maybe i'll stop by
Maybe, well i'll try Hopefully but I guess
I never cared that much
I never kept in touch
And most of all what really sucks is everthing and all of
us
So and so called me yesterday
So and so tells me that so's okay
I don't know took me far away
Hopefully i'll be back one day
So many places so many faces
Everything changes, yeah typical but I guess
I never cared that much
I never kept in touch
And most of all what really sucks is everthing and all of
us
Everything SUCKS
Everything SUCKS
I never cared that much
I never kept in touch
And most of all what really sucks is everthing and all of
us
