If you mess with me, you've got no chance
No chance in hell!
You've got no chance
If you mess with me, you've got no chance
No chance in hell!
You've got no chance

Welcome to my world (my world)
This world I've made (I've made)
How I love my world (my world)
In my world, I'll break your face

This is my world
This is my world
And if you mess with me, you've got no chance
No chance in hell!
You've got no chance
If you mess with me, you've got no chance
No chance in hell!
You've got no chance

Welcome to my world (my world)
My world's a stage (a stage)
Look at all my fantasies
Feel all my p-p-pain

This is my world
This is my world
And if you mess with me, you've got no chance
No chance in hell!
You've got no chance
If you mess with me, you've got no chance
No chance in hell!
You've got no chance

This is my world
This is my world
And if you mess with me, you've got no chance
No chance in hell!
You've got no chance
If you mess with me, you've got no chance

No chance in hell!
You've got no chance
