[Dr. Dre]

Journey with me
into the mind of a maniac
doomed to be a killer
since i came out the nutsac
im in a murderous mindsate
with a heart full of terror
i see the devil in the mirror
BUCK BUCK, Lights out
cause when i get my sawed off
niggaz get hauled off
*Barrel one
touches your motherfuckin flesh
*Barrel two
shoots your fuckin heart out your chest
you see Im quick to let the hammer go click
on my Tec-9 so if you try to reck mine
fool its your bad time
feel the blast of the chocolate bomber
Infra red aimed at your head
like your name was Sarah Conner
decapitatin I aint hesitatin
to put you in the funderal home
with a bullet in your dome
Im hot like lava
you got a problem?
I got a problem solver
and his name is revolver
its like a deadly game of freeze tag
I touch you with a 44 mag
and your frozen inside a boddy bag
nobody iller
than this grave yard filler
cap peeler
cause im a natural born killa

[Ice Cube]

Terror illistrates my era
now i cant hang around my momma
cause i scare her
Im quick to blast motherfucker
(yeah whats up)

it feels like im bustin a nut
when i open you up
cause your body is exposed to the midnight mist
all you weak motherfuckers give my ring a kiss
cause im givin dirt naps
comin with them bomb ass raps
to make your lungs collapse
perhaps, you never sleep
cause evertime you doze
you catch blows to the motherfuckin nose
aint seen the sun, in 66 days
let me count the ways ^in a fucked up maze^
I never ever ever made a ho stay
but Im down with Dre
like AC is down with OJ
so fuck how your livin
Im the unforgivin
psycho drivin
murdera
its authentic
dont panic
i cant stand it
God Damn it
Scizophrenic
so FUCK CHARLIE MANSON
Ill snatch him out of his truck
hit em with a brick
and I'm dancin
[RBX]
Mass Murderer, Natural Born Killla,
And I dont wanna die
I DONT WANNA DIE
I DONT WANNA
I DONT WANNAAAAAAAAAAAAAAAAAAAAAAAA DIE!
[Ice Cube]
I dont understand the logic in my dreams
but i understand i like the sound of Sireens
terrified screams from the streams
of Strycnine
dumpin on any motherfucker tryin to trick mine
cause motherfuckers wanna violate
now they stiff and cold
and they pupils wont dialate
ITS SO MUCH PAIN
MIGRAINE
headache
I can hear his bones break
he steps in the single door
gets his ass whipped with 20 lashes
like that dude up in Singapore
so Im a pull a fuckin Jeffrey Dahmer

now Im suicidal, just like Nirvana
[Dr. Dre]
Tic Toc
Toc Tic Toc Tic
Dr Dre and Ice Cube on some murderous shit
keepin niggaz in order
makin there live shorter
ready to slaughter
cause to me a life aint worth a quarter
or a dime
mushroom's got my mind
hallicinatin
aint no debatin
im creatin an escape
route to be out without a doubt
Scot Free, so dont even think about tryin to stop me
cause i cant wait
im out the gate
on the for realla
a thrilla
or a natural born killa
[Ice Cube]
GI-GI GI-GI GAGA
THEY CALL ME DADA
6 million ways to murder
choose one
lose one soul
bodies turn cold
natural fright from niggaz goin bump in the night...
