In order to dance the bamba
In order to dance the bamba
You need a bit of grace
A bit of grace
For you I will be
for you I will be

I'm not a sailor
I'm not a sailor
I'm captain
I'm captain

Dance the bamba
Dance the bamba
no, no, no
Dance the bamba
Dance the bamba

In order to dance the bamba
In order to dance the bamba
You need a bit of grace
A bit of grace
For you I will be
for you I will be

Dance the bamba, hey
Dance the bamba
no, no, no
Dance the bamba
Dance the bamba
