Ring, Ring,  
(Jimmy talking like female)Hello  
Hello, hey is Cindy in huh  
(Jimmy talking like female)No who is this  
What do you mean who is this, this is Jimmy Hart the  
Mouth Of The South,  
where is she?  
(Jimmy talking like female)She's gone to the Rick  
Springfield concert  
Rick Springfield!!!  
I called my chick on the phone last night  
Her mother said she was gone for the night  
She had two tickets to a Rock???n???Roll show, to see  
her working class hero  
So I jumped in my car, and I cruised down town  
I could hear the music playing' from a mile around  
So I got me a ticket, and I walked inside  
I could see him standing there in the  
spotlight(spotlight)  
Eat your hart out Rick Springfield  
Cause she's my girl and she always will  
Be the only girl for me  
Ain't no Rock???n???Roll singer going to take her away  
from me  
I called my chick the very next day  
She was watching TV it was Dr.Narrowed Drake  
She said(he's so handsome and he's so cool)  
She made me so sick I wanted to puke  
So I got me a guitar, and rented some shoes  
And I'm learning how to sing and I'm learning how to  
move  
And I'm writing this song down just for you  
Then all the girls will think I'm so cooooooIIIIIIIIII(I'm so  
cooooooIIIIIIIIII)  
Eat your hart out Rick Springfield  
Cause she's my girl and she always will  
Be the only girl for me  
Ain't no Rock???n???Roll singer going to take her away  
from me  
Eat your hart out Rick Springfield  
Cause she's my girl and she always will

Be the only girl for me  
Ain't no Rock???n???Roll singer going to take her away  
from me  
Eat your hart out Rick Springfield  
Cause she's my girl and she always will  
Be the only girl for me  
Ain't no Rock???n???Roll singer going to take her away  
from me  
Yeah that's it girl  
You want to steal Jesse's girl, know you want my girl  
Hey baby, you're cruisin' for a bruise Rick  
Hahahahaaaa  
If I could put my hands on you  
Jesse's girl, my girl everybody's girl  
You want everyone to go home.....
