The list of legends that held the title now includes me
bro,
I'll be a better champion than Bruno Sammartino.
This is Thuganomics, I got opponents home in
crutches,
I'm iron like the Sheik, I got you in my camel clutches.
I lost my mind like Mankind, pulling socks from his ass
crack,
I'm straight, you're Dude Love so get off the Cactus
Jack.
I'll take your varsity letters and medals, I'll leave you
mangled and hurt,
I'm attacking from all angles, you'll be calling me Kurt.
I'm wearing this Yankees jersey cause Massachusetts
makes me sick,
You don't like what I'm saying, you can suck my D***!
