It's the new rookie phenom, I'm changing the guard,  
Dead Man Inc. is bankrupt, I'm repossessing his yard.  
Yeah he's a big dog and I'm a pup, but  
I'll bark this;  
If he's gonna beat me tonight he'll need an army full of darkness.  
Yo, you can't take me because if you do I'm gonna trash this.  
I hope Paul Bearer has a new urn to bury your ashes.  
I'm worse than the Chicago fire, I'll burn your whole town.  
I got Chicago runnin' scared! I turn your White Sox brown.  
Yo, I'm strong a muscle car, and this ain't my Last Ride.  
I leave you like Chicago when Jordan left, stripped of your pride.  
Yo, my practice is chiropractic. Dude, I'll break your back.  
So you're a Dead Man? I'm a necrophiliac!  
Word Life!
