Yo, Yo, Yo, hey you Spanky,
You??'re just a copycat of me.
I??'ve been watching your progression,
The kid??'s got an obsession with trying to steal my
Ruthless Agression.
In his first match with Kurt Angle, he took him to the
limit,
In the next minute, he??'s wearin velour and
claiming that??'s his gimmick,
Dude, he??'s exactly like me. No.. I??'m ten times
bigger,
You want to be me so bad you swallowed my action
figure.
But you??'ll never be untouchable. I don??'t care
how hard you try to,
I??'ll serve you quicker than a Burger King drive
thru.
And with a name like Spanky the dude never gets a
date,
He??'s always arguing in groups because all he
does is masturbate.
So I??'m past you ya little rascal, you and your
kiddie tricks,
You want to spank something? Dude, go home and
spank your D***!
