Yo yo yo. Undertaker
You beat me at Vengeance. That??Â™ s okay. You
didn??Â™ t stop me
I??Â™ m still talking smack and backing it up. I??Â™ m
the white Muhammad Ali
And you??Â™ re just jealous because you didn??Â™ t
get your hands on my python
Dead Man Inc. is bankrupt, just like Mike Ty-son
And I??Â™ m gonna MAKE this statement. John Cena is
amazing
You all can??Â™ t see me, my flow is sicker than AIDS
patients
Yeah, I broke your ribs, now I??Â™ ll break your
reputation
I??Â™ ll leave you on the wrong side on a Kobe Bryant
violation
I??Â™ m the real Main Eventer, you just a counterfeit
I??Â™ ll stick your head up your ass. You can eat your
own S---!
