The Hulkster's in the house  
Check him out, check him out.  
Get up off your seat.  
He's got a brand new beat.  
Chorus:  
When the going gets tough,  
The tough get rough.  
Hey hey, ho ho, come on, let's go.  
Hey hey, ho ho, come on, let's go.  
The Hulkster's in the room.  
You know he's on the move.  
I can feel it in my feet.  
We're moving to the beat.  
Chorus x2.  
We're rocking down the house.  
The baddest play alive.  
We're blowing off the roof.  
And we're gunna rock and roll.  
Chorus.  
Hey hey, ho ho, come on, let's go.  
Hey hey, ho ho, come on, let's go.  
Hey hey, ho ho, come on, let's go.  
Hey hey, ho ho, come on, let's go.  
Hey hey, ho ho, come on, let's go.  
Hey hey, ho ho, come on, let's go.
