Wooaaaaaaaaah

Everyday in my life  
I let the inside show through the outside  
I'm tryin' to do my best to past the test  
And show respect to the other guy  
I let'em know I never run away  
Learn to fly and you'll be on your way  
With my heads in the clouds and a smile on my face  
I am alive and I'm seconds away

You are, you are  
I am, I am  
You are, you are  
I am, I am

When I fight, it's not evil  
Just like bein' Evil Kinevel  
I just to the left and I roll to the right  
Just tryin' to win the bell every night

You are, you are  
I am, I am  
You are, you are  
I am, I am  
I am, I am  
Wooaaaaaaaaah, ohh  
I am, I am

When I fight, it's not evil  
Just like bein' Evil Kineval  
I just to the left and I roll to the right  
Just tryin' to win the bell every night

You are, you are  
I am, I am  
You are, you are  
I am, I am  
You are, you are  
I am, I am  
You are, you are

I am, I am  
I am, I am  
I am, I am  
Wooaaaaaaaaah, ohh  
I am, I am  
I am, I am
