"I Hate Rap"

Visit "[I Hate Rap](#)" on MotoLyrics.com

I like country music
I love country girls
I like Willie Nelson
And don't forget about Merele
There's only one thing that I hate,
Cause it's a bunch of crap
IIIIIIII hate rap
I like nascar racing
Richard Petty's still the king
Yeah, they call me a red neck,
But you know that's a beautiful thing
There's only one thing that I hate,
Cause it's a bunch of crap
IIIIIIII hate rap
There's only one thing that I hate,
Cause it's a bunch of crap
IIIIIIII hate rap
There's only one thing that I hate,
Cause it's a bunch of crap
IIIIIIII hate rap
Raaaaaaaaaaaaap is crap
Raaaaaaaaaaaaap is crap
