I want to be a Hulkamanic, have fun with my family and friends.

I want to be a Hulkamanic, have fun with my family and friends.

If you want to be a Hulkamaniac,

I can sure tell you how to stay on track.

You train, say your prayers, eat your vitamins too,

These are all the things the 'maniacs do.

Positive thoughts and positive deeds,

These are the things that make sucede.

Always be good to your family and friends,

They are the ones that'll be there in the end.

Chorus.

When you're looking for something cool to do,

Just good friends to be with you.

You better watch out where you hang out,

You might be judged by where you hang your hat.

Can you feel the music, can you feel the beat?

You don't need drugs to move your feet.

When a dealer tried to push on you,

Just tell him what you're going to do.

Chorus x2

Try to do good each and every day,

Don't give 'em nothing bad to say.

Always go swimming with a buddy,

Work real hard and always study.

If you want to be real real cool,

Don't be stupid and play the fool.

Get your education each and every day,

These are all the things the Hulkamaniacs say.

Chorus x4.
