I'm back
And better than ever
Got a knack
For making things better
Face facts
'Cause your opinion don't matter
This maniac
Is gonna step on whoever
It's time
Get in line
'Cause I'm gonna make some changes
Kickin' ass
Takin' names
Screamin', "I'm so famous!"
I'm burnin' out the dead wood
Burnin' down time
'Cause it's only my way
So get your ass in line
They all talk
They say that I've lost it
But chop me down
And I swear it's gonna cost ya'
Now I'm back
The boss of you morons
To never count me out is one thing you can count on
It's time
Get in line
'Cause I'm gonna make some changes
Kickin' ass
Takin' names
Screamin', "I'm so famous!"
I'm burnin' out the dead wood
Burnin' down time
'Cause it's only my way
So get your ass in line
