Yeah
ooh hoo
huh
look at all I've got
like to make a blind man see
everything you wish you had
but God gave it all to me
on occasion, my reflection
puts even me in awe
'cos I got it all
ooohhoww I've got it all
yeah
I got it all
woohooooe
I've got it all
it's a better thing for me
to observe a better man
but with all your limitations
I think your doing all you can
so give in, to your emotions
and let your envy fall
'cos I got it all
yeah
I got it all
I got it aaaalll
ow
I got it all
every time, I hear my name, it sounds like a symphony
I'm a fine glass of wine
gettin' better with age
may come in better taassste (?)
ow
ohhoooww
ow
look at all I've go-o-ot
like to make a blind man see
everything you wish you had
but God gave it all to me
on occasion, my reflection
puts even me in awe
'cos I got it all

ooohhhooowww
I got it allll
yeah yeah
I got it all
I got it a-a-al
