Stand up, you don't have to be afraid, get down - love
is like a hurricane
Street boy, no I never could be tamed, better believe it
Guilty 'til I'm proven innocent, whiplash, heavy metal
accident
Rock on, I wanna be President, 'cos
Chorus:
I love it loud, I wanna hear it loud, right between the
eyes
Loud, I wanna hear it loud, I don't want to compromise
Turn it up, hungry for the medicine, two fisted to the
very end
No more treated like aliens, we're not gonna take it
No lies, no more alibis, turn it up, it's got me
hypnotized
Rock on, I won't be tranquilized, 'cos
chorus repeats 2x
Headlines jungle is the only rule, front page roar of the
nation cool
Turn it up, this is my attitude, take it or leave it
chorus repeats out [both lines 'I love it loud, ...']
