Everyone is looking at me  
I can't get out of bed  
There is evil in my head  
Everyone just let me be  
Because when I hit the stage  
It is gone and I am free  
Goddamn you say you'll get up for me  
You're the crowd, come on give it back to me  
You won't beg for me, beg for me, beg for me  
Goddamn you say you'll get up with me  
You're the crowd, come on give it back to me  
You won't beg for me, be there for me, beg for me  
Tell me, how could this fade?  
I am going in shame  
And I could not have my pain  
Everyone please let me be  
'Cause we're on stage  
And it's gone and I am free  
Goddamn you say you'll get up with me  
You're the crowd, come on give it back to me  
You won't beg for me, beg for me, beg for me  
Goddamn you say you'll get up with me  
You're the crowd, come on give it back to me  
You won't beg for me, be there for me, beg for me  
I feel the shame  
I'm not insane  
The things I feel now  
Aren't the same  
Who gives a fuck,  
if my life sucks?  
I just know one day  
I won't give up  
Everyone just let me be  
Goddamn you say you'll get up with me  
You're the crowd, come on give it back to me  
You won't beg for me, beg for me, beg for me  
Goddamn you say you'll get up with me  
You're the crowd, come on give it back to me  
You won't beg for me, be there for me, beg for me  
Be there, for me
