Are you ready?!

This place inside my mind, a place I like to hide  
You don't know the chances. What if I should die?!

A place inside my brain, another kind of pain  
You don't know the chances. I'm so blind!

Another place I find to escape the pain inside  
You don't know the chances. What if I should die?!

A place inside my brain, another kind of pain  
You don't know the chances. I'm so blind!

Deeper and deeper and deeper as I'm turning to...  
Live a life that seems to be a lost reality  
That I can never find  
No way to reach my inner...  
Self esteem is low  
How deep can I go in the ground that I lay?  
If I don't find a way to see through the gray that clouds  
my mind.  
This time I look to see what's between the lines.  
I can see, I can see, I'm going blind...  
I'm blind!
