if only we could fly
limp bizkit style
john otto take'em to the matthews bridge
can you feel it
my generation get up
my generation
are you ready do you know where you are
welcome to the jungle punk
take a look around it's limp bizkit
fuckin' up your town
we downloaded the shockwave
for all of the ladies in the cave
to get your groove on
and maybe i'm the one
who flew over the cuckoo's nest
well guess who's next
generation x,
gener-ation strange
sun don't even shine through our window pane
so go ahead and talk shit
talk shit about me
go ahead and talk shit
about my generation
cause we don't,
don't give a fuck
and we won't ever give a fuck
until you, you give a fuck about me
and my generation
hey kid, take my advice
you don't want to step
into a big pile of shit
the captain's drunk your world is titanic
floating on the funk
so get your groove on
and maybe i am just a little fucked
up life's just a little fucked up
generation x,
generation strange
sun don't even shine through our window pane
so go ahead and talk shit
talk shit about me

go ahead and talk shit about my generation
cause we don't,
don't give a fuck
and we won't ever give a fuck
until you, you give a fuck about me
and my generation
we don't, don't give a fuck
and we won't ever give a fuck
until you, you give a fuck about me
and my generation
who gets the blame
you get the blame
and i get the blame
who gets the blame
you get the blame
and i get the blame
but do you think we can fly
do you think we can fly
do you think we can fly
well i do, i do.
dj lethal, bring it on
so go ahead and talk shit
talk shit about me
go ahead and talk shit about my generation
cause we don't, don't give a fuck
and we won't ever give a fuck until you,
you give a fuck about me and my generation
we don't, don't give a fuck
and we won't ever give a fuck until you,
you give a fuck about me and my generation
oh yeah
