now breathe in, now breathe out
hands up or hands down
back up, back up
tell me what ya gonna do now

people in the house put them hands in the air
cause if you don't care,

jonesin' for your fix
of that limp bizkit mix
so where the fuck you at punk,
shut the fuck up and back the fuck up,
while we fuck this track up
now move in, now move out
hands up or hands down
back up, back up
tell me what ya gonna do
now breathe in, now breathe out
hands up or hands down

now move in, now move out
hands up or hands down
back up, back up tell me what ya gonna do
now breathe in, now breathe out
hands up or hands down

and the people that don't give a fuck
all the lovers, all the haters
and all the people that call themselves play-ers

and the people rollin' up in caddies

and everybody all around the world
now move in, now move out
hands up or hands down
back up, back up
