Say you are a dancer
Come and dance
Take off your shirt
Take off your pants
Take off your stockings
Take off your bra
Take off your make-up and let's see it all
Now peel
On the spinning wheel

Say you are a singer
Come and sing
Take off your necklace
Take off your rings
Take off your garter belt
Take off your dress
Take off your perfume
I want to see your nakedness
Now peel
On the spinning wheel

In your set of three
You can be anything you want to be
In your set of three
Think of me
Anything you want
Now peel

Say you are a dancer
Come and dance
Take off your shirt
Take off your pants
Take off your stockings
Take off your bra
Take off your make-up and let's see it all
Now peel
On the spinning wheel
Get on your poles and ride
