I don't want you and I don't need you  
Don't bother to resist, or I'll beat you  
It's not your fault that you're always wrong  
The weak ones are there to justify the strong

The beautiful people, the beautiful people  
It's all relative to the size of your steeple  
You can't see the forest for the trees  
And you can't smell your own shit on your knees

There's no time to discriminate  
Hate every motherfucker  
That's in your way

Hey you, what do you see  
Something beautiful, something free  
Hey you, are you trying to be mean  
If you live with apes, man, it's hard to be clean

The worms will live in every host  
It's hard to pick which one they eat most  
The horrible people, the horrible people  
It's as anatomic as the size of your steeple

Capitalism has made it this way  
Old-fashioned fascism  
Will take it away

Hey you, what do you see  
Something beautiful, something free  
Hey you, are you trying to be mean  
If you live with apes, man, it's hard to be clean

There's no time to discriminate  
Hate every motherfucker  
That's in your way

The beautiful people, the beautiful people  
The beautiful people, the beautiful people  
The beautiful people, the beautiful people  
The beautiful people, the beautiful people

Hey you, what do you see  
Something beautiful, something free  
Hey you, are you trying to be mean  
If you live with apes, man, it's hard to be clean

Hey you, what do you see  
Something beautiful, something free  
Hey you, are you trying to be mean  
If you live with apes, man, it's hard to be clean

The beautiful people, the beautiful people  
The beautiful people, the beautiful people  
The beautiful people, the beautiful people  
The beautiful people, the beautiful people
