By the last breath of the fourth winds blow  
Better raise your ears  
The sound of hooves knock at your door  
Lock up your wife and children now  
It's time to wield the blade  
For now you've got some company  
The horsemen drawing nearer  
On leather steeds they ride  
They've come to take your life  
On through the dead of night  
With the four horsemen ride  
Or choose your fate and die  
You have been dying since the day you were born  
You know it has all been planned  
The quartet of deliverance rides  
A sinner once a sinner twice  
No need for confession now  
Cause now you've got the fight of your life  
The horsemen are drawing nearer  
On leather steeds they ride  
They have come take your life  
On through the dead of night  
With the four horsemen ride  
Or choose your fate and die  
Time  
Has taken it's toll on you  
The lines that crack your face  
Famine  
Your body it has torn through  
Withered in every place  
Pestilance  
For what you have had to endure  
And what you have put others through  
Death  
Deliverance for you for sure  
There is nothing you can do  
So gather around young warriors now  
And saddle up your steeds  
Killing scores with demon swords  
Now is the death of doers of wrong  
Swing the judgement hammer down

Safely behind armor, blood, guts, and sweat  
The horsemen are drawing nearer  
On leather steeds they ride  
They have come to take your life  
On through the dead of night  
With the four horsemen ride  
Or choose your fate and die
