Evolution is a mystery
Another change that no one sees
God makes a fool of history
Yesterday's so long ago
Don't agree with what I know
Tomorrow's just no place to be

I see the line in the sand
Time to find out who I am
Looking back to see where I stand
Evolution
Evolution

See my reflection change
Nothing ever stays the same
But you know the name's The Game
We all know what it means
Nothing's ever what it seems
Unforgiven, unforeseen

I see the line in the sand
Time to find out who I am
Looking back to see where I stand
Evolution
Evolution

Take thy throne
