I don't care (x5)
Care if I'm old
I don't mind (x5)
Mind, don't have a mind
Get away (x4)
Away, away from your home
I'm afraid (x5)
Afraid, afraid of a ghost
Even if you have
Even if you need
I don't mean to stare
We don't have to breed
We could plant a house
We could build a tree
I don't even care
We could have all three
She said (x8)
I don't care (x5)
Care if I'm old
I don't mind (x5)
Mind, I don't have a mind
Get away (x4)
Away, away from your home
I'm afraid (x4)
Afraid, afraid of a ghost
Even if you have
Even if you need
I don't mean to stare
We don't have to breed
We can plant a house
We can build a tree
I don't even care
We could have all three
She said (x8)
Even if you have
Even if you need
I don't mean to stare
We don't have to breed
We can plant a house
We can build a tree
I don't even care

We could have all three
She said (x8)
She said .. good!
