Risin up

Back on the street

Did my time took my chances

Went the distance now I'm back on my feet

Just a man and his will to survive

So many times

It happens too fast

You trade your passion for glory

Don't lose your grip on the dreams of the past

You must fight just to keep them alive

It's the eye of the tiger

It's the thrill of the fight

Risin up to the challenge of our rivals

And the last known survivor stalks his prey in the night

And he's watching us all with the eye of the tiger

Face to face

Out in the heat

Hanging tough

Stayin hungry

The stack the odds still we take to the street

For the kill with the skill to survive...

It's the eye of the tiger

It's the thrill of the fight

Risin up to the challenge of our rivals

And the last known survivor stalks his prey in the night

And he's watching us all with the eye of the tiger

Risin up

Straight to the top

Had the guts got the glory

Went the distance now I'm not gonna stop

Just a man and his will to survive

It's the eye of the tiger

It's the thrill of the fight

Risin up to the challenge of our rivals

And the last known survivor stalks his prey in the night

And he's watching us all with the eye of the tiger

The eye of the tiger...

The eye of the tiger...

The eye of the tiger...
