All you people
Oh yeah Tag Team music in full effect
That's me DC, the brains supreme
And my man's Steve Rollin'
We're kicking the flow, we're kicking the flow
And it goes a little something like this

Tag Team back again
Check it your record let's begin
Party on, party people let me hear some noise
DC's in the house, jump jump rejoice
There's a party over here, a party over there
Wave your hands in the air, shake your derriere
There three words 'til you're getting busy

Whoomp, there it is (repeat)

Upside down, and inside out
I'm about to show all you folks, what it's all about
Now it's time for me to get on the mic
And make this Motherfuckin' party hot
I'm taking it back to the old school
'cause I'm a old fool, who's so cool
If you wanna get down, I'm gonna show you the way

Whoomp, there it is (repeat with ad lib)

Point blank, gin and juice I drinkin'
Rock the mic, oh oh I play skin
Rip, find a honey, just to dip it in
Slam dunk it, stick it, flip it and ride
That B O O T Y, oh my
Ooh that's it, come on come on
Whoomp there it is, I'm fine

Whoomp, there it is (repeat with ad lib)

Some say I'm crazy, 'cause I'm pushing up daisies
The underground sound,
that you have found amazing
Now standing, demanding, commanding,

you people dancing
That's breath-taker, I produce they can ace,
the undertaker
You want to come down to the underground,
old school
Here's a shovel, can you dig it fool
Can you dig it (repeat)
You can dig it (repeat)

W H O O M P as I flow, to the flash
From the school of old hardcore, the folklore wreck
3 to the 2 where one might check
My skill flow ill, on the mass of steel
That's the thrill of the microphone
I'd just kill
Party people,
where's your party Tag Team is through
Whoomp there it is, I thought you knew

Whoomp, there it is (repeat with ad lib)

Yeah Tag Team music coming straight at you
That's me DC, the brains supreme
And my man Steve Rollin'
Bring it back to you all, bring it back you all,
bring it back
Here we go
Whoomp, there it is (repeat)
