I am the astro-creep
A demolition style
Hell American freak- yeah
I am the crawling dead
A phantom in a box
Shadow in your head
Say acid suicide
Freedom of the blast
Read the fucker lies- yeah
Scratch off the broken skin
Tear into my heart maybe do it again- yeah, yeah,
yeah, yeah, yeah
More human than human
More human than human
I am the jigsaw man
I turn the world around
With a skeleton hand
Say- I am electric head
A cannibal core
A television said- yeah
Do not victimize
Read the mother fucker
Psychoholic lies- yeah
Into a psychic war
I tear my soul apart
And I eat it some more- yeah, yeah, yeah, yeah, yeah
More human than human
More human than human
I am the ripper man
A locomotion mind love
American style- yeah
I am the nexus one
I want more life
Fuckers I ain't done- yeah
More human than human
