Woven in the surface, a premonition of a land erupting
A sparkling occasion of a city
Crashdown! Overhead
Revolv'n in a whirlpool, a drag-o-rama
Walk'n on the sidewalk, so let me see ya howl'n
through the keyhole
"Goddamn, swept away" she shouted, she love it, get
in away, yeah!
I concentrate the midnight without the benefit of
ceremony
Whoever said, "The one who strips your soul is the one
that got away"
A weather-beaten angel descending to embrace the
cemetery
Got love, so mystifying
"Goddamn, swept away" She shouted, she love it, get
in away, yeah!
She shouted, she love it, get in away, yeah!
Voodoo beat on the mind, the digs too deep to find
Something has got to give, man [psych-out] racketeer
or star
You are just what you are, Don't play the misty, baby!
[Get you] into a river sky electro nation cry
"I need another, now" drift beyond the sleeping
The moon is shift'n shadows on her figure
Swamptime locomotion "I can't take it, anymore!"
Sunlight through the shutters
Illuminating moment to the moment buzz a halo over
"Goddamn, swept away" she shouted, she love it, get
in away, yeah
Planet pretty kill, motherfucker hang me on the thrills
Psychoholic slag tomorrow is another drag [yeah]
picnic in the homeland
Like a Jesus super star yeah! Kiss me deadly, baby
[baby]
I know who you are [come on]
Planet pretty kill, motherfucker hang me on the thrills
yeah!
No small heaven [haven] I got the left hand of the

keeper

Meet me in St. Louis, "God", a one way ticket's cheaper
yeah!

Time-travel I'm walk'n [walk'n]

I got a white line zombie fever [fever] yeah!

Time bomb the hero [hero] yeah get down!!!
