Wolf

O W

Wolfpac is back causin a mass destruction
guess who's here the bad boys of wrestling
just some competition in the war destination
not and no mercy see the ring is like the street
if you dont know you better find out the wolfpac
here to prove a point number one best believe
that you dont want to mess with them
i be on a roll and im come in the ring
and your neer walking out again

(Chorus)

Don't turn your back on the Wolfpac
Don't turn your back on the Wolfpac
Don't turn your back on the Wolfpac
Don't turn your back on the Wolfpac
you might wind up in a body bag!
You take your chances
now its time to show you the rope
in the ring this is poor
all you sucks aren't strong
day in day out the wolfpac for life
tell the boy with guts to come to the ring at night
we care about the reppin cuase we make it opur own
use
you dont wanan feel what its liek to be in their shoes
see its just a crowd pleasure running underneath
You a person who would be running from soldiers
(Chorus)

Don't turn your back on the Wolfpac
Don't turn your back on the Wolfpac
Don't turn your back on the Wolfpac
Don't turn your back on the Wolfpac
you might wind up in a body bag!
Wolfpac is back causin a mass destruction
guess who's here the bad boys of wrestling
just some compettionin in the war destination
not and no mercy see the ring is like the street
if you dont know you better find out the wolfpac
here to prove a point number one best believe

that you dont want to mess with them
i be on a roll and im come in the ring
and your neer walking out again

(Chorus)

Don't turn your back on the Wolfpac
Don't turn your back on the Wolfpac
Don't turn your back on the Wolfpac
Don't turn your back on the Wolfpac
you might wind up in a body bag!
