Packed up my boots and I jumped in my car.
And I headed for the sunshine state.
And when I got there, I gave her a call.
And she said everything was great.
I needed some times with the boys.
And she needed her time in space.
So I lay on the beach and get me a tan.
And I play my music with the boys in the band.
And I'll send you a post card, whenever I can.
Sincerely, the Wrestling Boot Traveling Band.
I met a girl on the beach yesterday,
And she looked a lot like you.
She heard the band play late last night,
And she thought the bass player was cute.
She was down here on her vacation.
'Cause she needed her time and space.
So we layed on the beach and get us a tan.
And we listended to the music with the boys in the band.
And I'll send you a post card, whenever I can.
Sincerely, the Wrestling Boot Traveling Band.
So we layed on the beach and get us a tan.

And I'll send you a post card, whenever I can.
