(X-Paccccc) X-Pac!
You think you can tell us what to do? (yeah)
You think you can tell us what to wear? (Hahaha) (Wear
it down)
You think that you're better (well yeah)
Well you better get ready to bow masters
Sssssssssssuck it!
Degenerate into something fool
I just got tired of doing what you told me to do
But that's the breaks boy yeaaah
That's the breaks little man (you tell him)
X-Pac puttin' more mind to it stops
Speak my mind, I keep it rockin' that bottom line
Suck it. Two tears in the bucket
Ya hate to love it. I'm not the one that tried your luck
with
Hit hard like brass knuckles
See your face through the turnbuckle dude
I got no love for you (X-Paccccc)
Degeneration X
Who's gonna kick your ass?
Degeneration X (X-Pac) (X-Paccccc)
Who's gonna kick your ass
Degeneration X
Who's gonna kick your ass?
Degeneration X (I'll tell ya)
Built to destroy you and your boys
Mother mother make some noise
That's even if you're paranoid
Magzeel that body, keep it rockin'
And tell someone how it feels, and let you know the
deal
One of the illest that never have step
I demolish off opponents and knock out the ref
X-Pac (I'm gonna kick your ass) X-Pac
But wanna be, but-but-but wanna be, be some else
Put it away, put it away,
Like a book on a shelf that you can read
That (yeah) you can read boy
Degeneration X
Who's gonna kick your ass?

Degeneration X
Who's gonna kick your ass?
Degeneration X
Who's gonna kick your ass?
