[Sonee Seeza]

Aiyyo, fuckin bitches man.. (worrrrrd up)
See that's what happen man
when you fuck the dog-shit out of bitches
Muh'fuckin hehahahh..

[stoned out conversation for 15 seconds]

[Fredro Starr]

If ya, got a girl then you betta believe
She got a, dick up her throat and a trick up her sleeve
But if ya don't take my word, take the word of another
I love my girl more than I love my own mother
until I caught the bitch in bed fuckin my brother
Now, pussy to me, is a stick and a bone
I fuck it and she suck it then I leave it alone
then get out the crib 'fore her man come home
DING-DONG! RING-A-LING-A-LING!!
"Honey I'm home," scumbag sent candy
Feelin damn dandy crazy drunk off some brandy
Headed to the stairs, tip-tiptoed
With these sneaky ass stairs kid ya gotta move slow
She wasn't in her room, where could she be?
Wait a cotton-pickin minute, I hear the TV
I slid to the den, what did I see?
I seen a nigga hairy STINK ass (word??)
and my girl on her knees (OHHH SHIT!)
She was suckin the nex niguh dick (oh shit!)
Hey man, I was just watchin this, it was monotonous
I couldn't figga the nex niguh dick in my girl's
esophagus
Suckin the nex niguh dick (oh shit!)
Suckin the nex niguh dick (oh shit!)
Suckin the nex niguh dick (oh shit!)

[Onyx]

Yo that's my motherfuckin word
Man I was trickin on this bitch man
I was buyin this bitch diamonds and the whole shit

Motherfuckin Moet yaknowhatl'msayin?
I was proppin this bitch up in Def Jam
Niguz was like yo, yaknowwhatl'msayin? (???)
Yo a bitch ain't shit man that's my motherfuckin word

Yo Suave, yo Suave, yo Sauve
Yo how do you feel about that shit man?

[Suave/Sonee Seeza]
A freak is a freak and a hoe is a hoe
If ya bitch get this low, that shit is absolutely zero
A hoe will have a pro just claimin love, I was (??)
You can say like Mary J., "Just Remind Me"
Was buggin when she started suckin fuckin
peppermints
Blow jobs got better? (How the hell ya miss those hits?)
I know but
then I got the shock that almost blocked me like an
obstacle
My girl lips locked a niguz cock, like a popsicle
Quick - my man flipped the silencer tip
Now let the dumb bitch go to hell, and suck on the
devil's dick
Yep, you knew money felt the chill
He should have ate that pussy then it coulda been his
last meal
So don't let my girl suck ya dick
Even if she's suckin the next nigh dick (oh shit!)
Suckin the nex nigh dick (oh shit!)
Suckin the nex nigh dick (oh shit!)

Afficial Nastee Niguz (repeat 8X)

[Fredro Starr]
Picture this, picture that
Ya girl's humpin the next man's plans of comin back
Tell you that "I love you"
Bacdafucup, breakdafucuff
Bacdafucup bitch or I'ma gonna smack ya wig off
Smack the cum, out ya motherfuckin mouth
I got proof! (Oh yeah?) Cause it landed on my couch
She was suckin the nex nigh dick (oh shit!)
She was suckin the nex nigh dick (oh shit!)

[Sticky Fingaz]
Sometimes I feel like a nut {*KNOCK KNOCK*}
It melts in ya mouth, not in ya butt, oh and..
tell your girl to stop changin her lip stick
I'm startin to get, rainbows around my dick
I got caught in the act, he pulled a gun and gave chase
It ain't my fault, this bitch take it in the face

Sheeeit, she the one who found Jack..
The "Blac Vagina Finda", hmm big ain't it?
Lick clit so big God I almost fainted
Suckin the next nighu dick (oh shit!)

[Sonee Seeza/Onyx]
She was suckin the nex nighu dick (oh shit!)
She was suckin the nex nighu dick (worrd?)
She was suckin the nex nighu, suckin the nex nighu
suckin the nex nighu (she's still suckin his dick)

She was suckin the nex nighu dick
She was suckin the nex nighu dick
She was suckin the nex nighu, suckin the nex nighu
suckin the nex nighu

[Sticky Fingaz]
Fuck it I don't need ya, let the welfare feed ya (word
up)
Non-thinkin, cum-drinkin.. (suck, dick)
(Fuck you bitch!)
