Timberland:

Uh, uh, hey baby, how're you?, why's your face looking
all sad and gloomy? Don't you like the navigator truck
that i brought you? why're you tryna act a fool? Don't try
to save your seat 'n' talking to your girlfriend as gonna
tell ya shirlband. Give me a place of time and plan.
Don't try to contreat me of silly stuff, that i'm goin on
the streets. You've gotta remember without you, there's
no me. I'm just an average man tryna make it in this
code world, so tell me baby why you're
tripping..GUUUUUUUUUURL

I don't wanna fuss with you, so i'm gonna seat out on
the couch, dont try to talk to me, cos' boy i'm blocking
you out. I don't wanna hear a thing, nothing you've got
to say. You should think twice about the way you've
been talking to me.

Chorus:

Betta catch a cab, get on the bus, i've got no time
talking all that junk. Gonna pack my stuff. Is this what
you want? i don't really care cos' there's no more us.

Betta catch a cab, get on the bus, i've got no time
talking all that junk. Gonna pack my stuff. Is this what
you want? i don't really care cos'....

Ain't got no words for you, so you can stop calling my
friends. Telling them it wasn't your fault and why i ain't
letting you in. Too many times before i let you back in
my life, but this is a new day and this won't go down
tonight.

Chorus:

Betta catch a cab, get on the bus, i've got no time
talking all that junk. Gonna pack my stuff. Is this what
you want? i don't really care cos' there's no more us.

Betta catch a cab, get on the bus, i've got no time
talking all that junk. Gonna pack my stuff. Is this what
you want? i don't really care cos'there's no more us.

hmmm, hmmm, hmmm,
hmmm, hmmm, hmmm,
hmmm, hmmm, hmmm,
hmmm, hmmm, hmmm,
hmmm, hmmm, hmmm,
hmmm,

tell you what? uh,uh, uh. Introduce you to Dolce 'n'
Gabahna.

Advance you from dirt bikes to hondas. Took you from
that terrible stress. Now you're telling me that i am a
bother. What kind of mess is that to tell a man who put
you on his team. That's just like killing a dream (no, no
baby) that's how it seems. I work hard to build up what i
have with you. I pray to god there's not another man
between me and you. So just tell me there's no need to
lie for, Why you sleeping with your eyes closed? wanna
talk? Alright yo.

hmmm, hmmm, hmmm, hmmm, hmmm,

Chorus:

Betta catch a cab, get on the bus, i've got no time
talking all that junk. Gonna pack my stuff. Is this what
you want? i don't really care cos' there's no more us.

Betta catch a cab, get on the bus, i've got no time
talking all that junk. Gonna pack my stuff. Is this what
you want? i don't really care cos'

Betta catch a cab, get on the bus, i've got no time
talking all that junk. Gonna pack my stuff. Is this what
you want? i don't really care cos' there's no more us.

Betta catch a cab, get on the bus, i've got no time
talking all that junk. Gonna pack my stuff. Is this what
you want? i don't really care cos' there's no more us.
