Darling will you join me one last time
Let's call it old time's sake
And I know you're pretty pissed but you gotta admit
I'm one hell of an old flame
So just look me in the eye
And tell me all about this new guy
'Cause I've seen you sittin pretty so far away
But you and I both know if you could you would've
stayed

You ain't nothing but a rhythm to a beat
You're fodder for me to rip up and put back together
again
We're gonna waltz through the night just you and I
But tomorrow this dance is done,
Tomorrow this dance is...

Come come sweetheart, don't be shy
Why don't you open up like you used to before
I miss it, I admit it, just a little bit,
So do me a favor and tell me this

So just look me in the eye
And tell me all about this new guy
'Cause I've seen you sittin pretty so far away
But you and I both know if you could you would've
stayed

You ain't nothing but a rhythm to a beat
You're fodder for me to rip up and put back together
again
We're gonna waltz through the night just you and I
But tomorrow this dance is done,
Tomorrow this dance is...

You ain't nothing but a rhythm to a beat
You ain't nothing but a rhythm to a beat
You ain't nothing but a rhythm to a beat
You're fodder for me to rip up and put back together
again
We're gonna waltz through the night just you and I

But tomorrow this dance is done,
Tomorrow this dance is done
