I see the trouble coming
Is the final warning is no time
I don't run for cover
I don't look for places to hide
When the dam is breaking never seen you shaking
inside
I will be here stay behind

[Chorus:]

Go hard in go hard out
Push strong in push strong out
And when you give up I go [?]
But when we wake up with no tomorrow
And everything feels so hard so if a I take the lead
Will you follow cause I have something we can borrow
We can wait but maybe there ain't no tomorrow mybe
ain't tomorrow
Maybe all the world that we know will go dark and [?]
There ain't no tomorrow I will [?] love that we have
I will always shelter your soul I will always be your hero
Maybe there ain't no tomorrow

Wait don't go out there don't go out
It's not safe take my hand I got a plan for us to escape
We will go million light years and disappear without a
trace
[?]

[Chorus:]

Go hard in go hard out
Push strong in push strong out
And when you give up I go [?]
But when we wake up with no tomorrow
And everything feels so hard so if a I take the lead
Will you follow cause I have something we can borrow
We can wait but maybe there ain't no tomorrow mybe
ain't tomorrow
Maybe all the world that we know will go dark and [?]
There ain't no tomorrow I will [?] love that we have
I will always shelter your soul I will always be your hero
Maybe there ain't no tomorrow

If there ain't no tomorrow with you
And let's live in love today
Cause if there is no tomorrow with you
Then I lose and I can't let you slip away

[Chorus:]

Go hard in go hard out
Push strong in push strong out
And when you give up I go [?]
But when we wake up with no tomorrow
And everything feels so hard so if a I take the lead
Will you follow cause I have something we can borrow
We can wait but maybe there ain't no tomorrow mybe
ain't tomorrow
Maybe all the world that we know will go dark and [?]
There ain't no tomorrow I will [?] love that we have
I will always shelter your soul I will always be your hero
Maybe there ain't no tomorrow
