Oooohhh... I miss my girl...

[Verse 1:]

I'm feeling homeless in the aftermath
And I don't know how else I'm supposed to act
No matter what I did...
I never thought that you would up and leave...
I took for granted baby how much you were loving me...
If I'm alone, don't know how long I'll last...
And I can't believe how

[Chorus:]

Stupid I am, you slipped through my hands...
I wish I had you in my life...
If you give me a chance then I'll get it right...
Promise I'm a better guy now cause...
I let you get away...
There's no one else to blame...
I'm hitting rock bottom without you...
I'll never be the same...
My heart is out the game...
I'm hitting rock bottom without you...

[Verse 2:]

So many others blowing up my phone (don't wanna
talk, no)
I hit 'Ignore', don't even wanna bone, (nooo)
My only comfort is some silence [?] sitting next to me
Not even hitting, never dissing, always fixing me
I'm slowly drowning, never been this low
I can't believe how

[Chorus:]

Stupid I am, you slipped through my hands...
I wish I had you in my life...
If you give me a chance then I'll get it right...
Promise I'm a better guy now cause...
I let you get away...
There's no one else to blame...
I'm hitting rock bottom without you...
I'll never be the same...

My heart is out the game...
I'm hitting rock bottom without you...

[Verse 3:]

This is how I know that I'm still in love...
Cause I hit rock bottom...
Nowhere else to go, I'm close to givin' up...
If I can't have you, never thought I'd go and throw it all
away...
And now the blood is turnin' cold and I'm still holdin' on
For you to come back someday...

[Chorus:]

Stupid I am, you slipped through my hands... (You
slipped through my
Hands...)
I wish I had you in my life...
If you give me a chance then I'll get it right...
Promise I'm a better guy now cause...
I let you get away...
There's no one else to blame... (There's no one else to
blame, yeahhh...)
I'm hitting rock bottom without you...
I'll never be the same...
My heart is out the game...
I'm hitting rock bottom without you...

Hit rock bottom without you...
Hit rock bottom without you...
I hit rock bottom without you...
I want you back girl, I...
Hit rock bottom without you...
Hit rock bottom without you...
Hit rock bottom without you...
I hit it... I want you back in my life...
Just tell me what I got to do...
I'll do it girl for you...
