Give me a chance
To touch, to hold your love
Can't understand
You've been so cold so long

Why don't you feel it like I do?
Why don't you want me like I do?
I know (I know) you know (you know)
You're in my dreams, I need you so
How could you see me for so long
And keep pretending all along?
I know (I know) you know (you know)
That I will never do you wrong

CHORUS:

I know you know
Love comes and goes
When you are near the one you love
I know you know
It's hard to go
When all the feelings start to show

There's only words
I speak into darkness
Still, I wonder what,
What would be the chances

Why don't you feel it like I do?
Why don't you want me like I do?
I know (I know) you know (you know)
You're in my dreams, I need you so
How could you see me for so long
And keep pretending all along?
I know (I know) you know (you know)
That I will never do you wrong

CHORUS

Don't you know that there's a sign
And it comes only one time?
Isn't love sometimes ignored?

'Cause it's happened before
In the end, you'll leave it all behind

CHORUS (2x)

BREAK

CHORUS
(repeat and fade out)
